

Where to Place Your Luxel®+ Dosimeter Badge

LANDAUER provides dosimeters as directed by your office leader who is responsible for radiation protection. These recommendations are offered for accurate dose assessment, however, state regulations should also be consulted.

Chest

Wear dosimeter between shoulders and waist | If using a lead apron wear outside apron

Collar

Wear dosimeter on collar | If using a lead apron wear outside apron

Collar & Waist

Wear collar dosimeter at collar | Wear outside lead apron

Wear waist dosimeter at waist | Wear under lead apron

Fetal & Chest

Wear chest dosimeter at chest level | If using lead apron wear outside apron

Wear fetal dosimeter at waist level | If using lead apron wear under apron

Important: The fetal dosimeter is exchanged monthly for readings even if your chest dosimeter is exchanged quarterly

For Extremity Dose Monitoring

Saturn® Ring

Wear on hand or hands – under gloves | Wear ring with the label facing radiation source

Note: Ring dosimeters are labeled for right and/or left hand use
