

Job Hazard Analysis Form

For each hazard that employees in your unit may be exposed to, list the job task, describe the associated hazard (such as specific chemicals, biological agents, physical hazards, ergonomic risks, or psychosocial factors), note any control measures in place, and identify any personal protective equipment (PPE) used or needed in the table below. Please refer to the Safety Data Sheet (SDS) for any products used in the workplace. If you are unsure as to the level of exposure or if exposure monitoring is desired, contact the Environmental & Occupational Health Unit at (608) 890-1992 or eoeh@fpm.wisc.edu.

Work Unit:

Supervisor:

Employees Covered under this Assessment:

Job Task and Locations	Task Description	Associated Hazards	Control Measures in Place	PPE	Comments
